## Adopt A Katrina Hurricane Victim Family!

Traditional Values Coalition Chairman Rev. Louis P. Sheldon is urging local churches to heed the call of Franklin Graham with Samaritan's Purse to consider adopting one or more families who have been victimized by Hurricane Katrina!

"This is a time for pastors and their congregations to rise to the challenge and to show the love of Jesus Christ to thousands of men, women, and children who have lost everything in this hurricane," said Rev. Sheldon. "These victims need long-term assistance if they're to ever get back on their feet. The church can provide shelter, food, and clothing for these families."

Samaritan's Purse is currently rushing tractor trailers filled with emergency supplies and equipment to the Gulf Coast to help in the rescue efforts. These trucks have volunteer crews with chain saws, generators, and other resources that are being used in the clean up process. Contact Samaritan's Purse: [www.samaritanspurse.org](http://www.samaritanspurse.org).

Adventures In Missions is also helping the victims of Katrina: [http://www.adventures.org/a/katrina\\_relief/refuge\\_housing.asp](http://www.adventures.org/a/katrina_relief/refuge_housing.asp). This ministry is well-organized to place families in need.

Please contact your denominational headquarters to find out what they are doing to aid the victims of this disaster. If they do not have a Katrina family adoption program in place, perhaps your church can help spearhead this effort!

TVC has donated to this effort, and we are providing daily updates on this disaster on our web site—plus listing ministries that are directly working to assist victims.
